

Event 46b

**South Lancashire Centre. The Caravan Club.
West Bradford Village Hall
West Bradford, Clitheroe
14th – 16th November 2008**

Thank you for your enquiry for the West Bradford Village Hall event. The venue is on a hard standing car park adjacent to the village hall in the beautiful Ribble Valley close to Clitheroe.

We have the use of the Village Hall on both nights and as the venue is unlicensed you are welcome to bring your own drinks along. Friday evening will give you the opportunity to meet with friends old and new in the warmth of the hall. We hope to have some quizzes and dancing.

Saturday will be free for you to enjoy the locality, take a walk around the area or venture further afield and do some retail therapy. A typical South Lancs Social will be held in the Village Hall on Saturday night with supper provided.

Vans may arrive from 12-00hrs

Directions:

From the A59 at Worston take the A671 north along the Pimlico Link Road, follow this road past the cement factory and over the river bridge, continue up to the give way sign and turn right into Grindleton Road. The hall is on the right in about a third of a mile. Look out for the S.L.C.C. signs.
