

Halloween Rally 2026 – Whitley Village Hall.

What a weekend!

Our Halloween Rally at Whitley Village Hall was a frighteningly fantastic success, filled with laughter, games, spooky costumes, plenty of drinks and some rather questionable competitive behaviour!

Friday night saw everyone getting into the Halloween spirit with an evening of games, music, quizzes and plenty of laughs.

Our brave ralliers took on challenges including Hoop on the Rope, River Bank, paper aeroplanes, blowing bubbles through hoops and attempting to pop what can only be described as the strongest balloons ever manufactured! We're still not entirely convinced they weren't made from reinforced rubber!

Saturday morning began with bacon butties for everyone, providing some much-needed fuel after Friday night's antics!

The children enjoyed crafting and biscuit decorating, while the afternoon offered everyone a chance to relax, recharge and prepare themselves for another evening of Halloween madness.

And what an evening Saturday was!

The hall was filled with an incredible assortment of costumes, from creepy clowns and Dracula to not one, not two, but FOUR Minions! The effort everyone put into dressing up was fantastic, and it certainly made for some brilliant photographs.

Saturday night's games brought even more chaos, with balloon caterpillars, Corners, more quiz rounds and our very willing good sports Simon and Rob being wrapped up as mummies!

There was also a dramatic turn of events in the infamous wine-on-the-loo-roll game, when Yvonne managed to knock Little Red riding hood Rach off her top spot and claim the crown! Rach's reign was short-lived, but we're sure she'll be back to defend her honour next time!

However, the highlight of the evening may well have been the balloon caterpillar race, when things became so competitive that Granny Wolf managed to knock Devil Dave clean off his feet!

Our Halloween photo booth proved popular too, with everyone capturing some brilliant memories throughout the evening. Photos were also shared via our Dropbox collection, allowing us to finish Saturday night with a fantastic slideshow of the weekend's antics. There were certainly some photographs that may come back to haunt people! The Drop box is still available to upload and download all the pics for 30days! <https://event.pics/w/LD6mGLq0AjYZ>

Our Spooktacular Prize Winners

A huge congratulations to all our winners!

- Best Decorated Table: The Brunsdens – Skeleton Theme
- Best Adult Costume: Andy – Granny Wolf
- Best Children's Costume: Archie – Minion
- Best Pumpkin: Darcey & Aria
- Adult Caravan Competition: Poodle Party
- Children's Competition (10+): Lydia
- Children's Competition (6+): Aria
- Children's Competition (0–5): Archie
- Quiz Champions: Toon Town Toffs

Well done to everyone who took part. The effort, creativity and enthusiasm were absolutely fantastic!

A Rather Blustery Ending.

Of course, it wouldn't be a British caravan rally without the weather having the final say!

The wind certainly made its presence known, particularly for the unfortunate few pitched beneath the trees, who were treated to their very own Halloween sound effects courtesy of Mother Nature.

Also our Acting Chairman for the weekend, Ian, also reminded everyone about the club's very special 60th Anniversary Celebration Rally at Easter 2027, which promises to be another wonderful occasion to look forward to.

A Huge Thank You!

Finally, a massive thank you to everyone who joined us and helped make the weekend such a success.

Whether you joined in the games, dressed up, decorated your tables, entered the competitions, helped behind the scenes or simply sat back and enjoyed the entertainment, you all helped create a truly memorable rally.

From Devil Dave, Scary Sarah, Frightening Freddie and Rattling Rach, thank you for being such fantastic sports!

We hope you all enjoyed yourselves as much as we did, and we look forward to seeing you at another rally soon.

Until next time... stay spooky, keep your balloons close, and whatever you do, don't get in Granny Wolf's way!
